### Experience and Expertise

Christie, a key member of MWA's Audit and Assurance Practice, has more than 20 years of experience in public accounting. She manages audits, reviews and compilations for clients in both nonprofit and for-profit industries. Christie's nonprofit experience includes charitable social services agencies, educational institutions, associations and foundations. She is involved in training, with a focus on best practices and implementation of new standards.

Christie looks to build and maintain relationships with her clients and uses her experience to educate them regarding internal controls, accounting policies, and operating procedures and works with them to find solutions to the challenges they face.

Prior to joining MWA, Christie was a manager at a large, local CPA firm, where she worked with closely held businesses in various industries including professional service firms, software technology firms, manufacturers, distributors and real estate throughout her career.
